COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

This sale contains so much material of interest that a detailed description is not possible. You will find an Excessively Rare 1870 Pattern Dollar and other patterns of rarity. A Swedish 4 Daler copper piece in exceptional condition and probably the best offering of Foreign copper coins that have been catalogued in my sales. A splendid collection of Broken Bank Bills. United States Gold, Silver &c.

My mailing list contains over 1000 active collectors. There will be distributed over 1200 catalogues. Will be pleased to receive any consignments large or small. Terms on application.

Send in your bids at once, do not wait. Bids are apt to be overlooked or arrive too late if sent at the last moment. You help yourself also me by complying to this request.

Be sure to bid on the right lot and bid by the piece and not by the lot, or I will be compelled to refuse all such bids sent. Be sure to sign your name to your order. Do this first. In my last sale there were over a half dozen orders which I could not execute for this reason. Write down the right number that you intend to bid on and wish to caution my customers again that I will not hold myself accountable for any such errors. Kindly remember that the coins I am selling are the property of others and that I have to make my accounting to them.

Thanking you for past patronage.

WILLIAM HESSLEIN,

101 Tremont St., Boston, Mass.

P.S.—Will be pleased to make hotel reservations for any one contemplating staying over night for the next day's sale.
